

# Clear Browser Cache in Internet Explorer

Ensure you have your browser open but do not have the ASCLS.ORG website open (navigate to any other website—Google, Bing, etc.), and follow the steps shown below to clear your cache.

Press the CTRL + SHIFT + DELETE keys at the same time.

You will see a “Delete Browsing History” box. Please make sure you have checked:

- Temporary Internet files and website files
- Cookies and website data
- History
- Download History

Click the “Delete” button.

Exit Internet Explorer by clicking the “X” in the upper right hand corner of the browser window

Reopen Internet Explorer and navigate to [ASCLS.ORG](http://ASCLS.ORG)
