ASCLS MEMBERSHIP CATEGORIES

Professional: Open to all persons certified or engaged in the practice and/or education process of clinical laboratory science, including those with an active interest in supporting the purposes and goals of this Society. Membership benefits are dependent on level of membership:

Professional I: Includes full voting privileges, basic benefits, and the award-winning journal *CLS*. \$99 plus state dues

Professional II*: Includes full voting privileges, basic benefits, but **not** the journal *CLS*. \$78 plus state dues

Collaborative*: Available to any individual who currently holds membership in any other health-related national organization and has never been a member of ASCLS. Does not include voting privileges; includes basic benefits only. \$45

First-Year Professional*: Open to persons who have graduated within the last 12 months from an accredited program in laboratory science. Prior student membership with ASCLS is not a prerequisite. This membership status is valid for only one year to assist recent graduates. After one year in this category, members are upgraded to Professional membership. Includes full voting privileges. \$45 plus state dues

Student*: Open to persons enrolled in a structured program of clinical or academic instruction in laboratory science, or to full-time graduate students in a related science area. Includes journal and basic benefits; does not include voting privileges. \$25 plus state dues

*Persons residing outside the United States are not eligible for these categories. International practitioners must join as Professional I.

CONTINUING EDUCATION PACKAGES

Certification Maintenance Member: One-year subscription for 12 hours of P.A.C.E.[®]-approved online continuing education through ASCLS and MediaLab. Includes all designated discipline hours required for the Board of Certification's Certification Maintenance Program. Learn more at www.ascls.org/cmm. \$45 plus national and state dues

Certification Maintenance Member Plus: One-year subscription for unlimited hours of P.A.C.E.[®]-approved online continuing education. Select from any of MediaLab's online offerings. Learn more at www.ascls.org/cmm. \$85 plus national and state dues

OPTIONAL CONTRIBUTIONS

ASCLS/PAC: Political action committee that promotes the interests of clinical laboratory science among federal lawmakers through campaign contributions to a carefully selected number of candidates who have been sensitive to the needs of the clinical laboratory profession. ASCLS/PAC is supported solely by voluntary donations from ASCLS members. Donations cannot be listed as charitable contributions for tax purposes.

Education & Research Fund: Provides awards, grants and scholarships to support clinical laboratory professionals representing all aspects of the field. Donations to this Fund can be listed as charitable contributions for tax purposes

Special Projects: Funds projects such as "A Life Saved" and a career recruitment video, participation in the CDC Patient Safety initiative, meetings of the International Federation of Biomedical Laboratory Science, and collaboration efforts with our partners in laboratory medicine and science.

Forum for Concerns of Minorities: Provides scholarships and funds efforts to encourage and enhance diversity in the medical laboratory profession.
