

## **About Student Forum**

ASCLS is the American Society for Clinical Laboratory Science.

This organization is for clinical laboratory science personnel (students too!). This gives everyone leadership opportunities and vigorously promotes all aspects of clinical laboratory science practice, education and management to ensure excellent, accessible cost-effective laboratory services for the consumers of health care.

This site is aimed toward, but not limited to students in the Clinical Laboratory Science field. ASCLS values student involvement in their profession.

This site is for you - to learn, network, and get involved!
