Clinical Laboratory Science and the author hereby agree as follows: In consideration of *Clinical Laboratory Science* reviewing and editing the following described work for first publication on an exclusive basis:

Manuscript number: _____

Lead Author: _____

Title of Manuscript: _____

The undersigned author(s) hereby assigns, conveys, and otherwise transfers all right, title, interest, and copyright ownership of said work for publication. Work includes the material submitted for publication and any other related material submitted to *Clin Lab Sci*. In the event that *Clin Lab Sci* does not publish said work, the author(s) will be so notified and all rights assigned hereunder will revert to the author(s). If a joint work, co- authors must transfer rights in said work to *Clin Lab Sci* by executing this Agreement. The laws of the United States govern this Agreement.

The assignment of rights to *Clin Lab Sci* includes but is not expressly limited to rights to edit, publish, reproduce, distribute copies, include in indexes or search databases in print, electronic, or other media, whether or not in use at the time of execution of this agreement, and claim copyright in said work throughout the world for the full duration of the copyright and any renewals or extensions thereof.

All accepted works become the property of *Clin Lab Sci* and may not be published elsewhere without prior written permission from *Clin Lab Sci*. The author(s) hereby represents and warrants that they are sole author(s) of the work, that all authors have participated in and agree with the content and conclusions of the work, that the work is original, and does not infringe upon any copyright, proprietary, or personal right of any third party, and that no part of it nor any work based on substantially similar data has been submitted to another publication.

Clin Lab Sci reserves the right to refuse publication of any material deemed to not be original.
