

## **DCLS TOOL KIT: A RESOURCE FOR EDUCATORS**

The purpose of the “DCLS Tool Kit” is to provide information that will assist educators who are in the process of considering and/or planning a DCLS degree program at their institution. The information presented consists of documents developed by the DCLS Oversight Committee and vetted by ASCLS and or NAACLS, as well as samples of additional information that can be useful in the new program development process. Each institution and state has specific requirements for development of a new degree program, and thus the information provided is a guide to assist in the process. **This is a “fluid” document and periodic updates will be provided.**

### **Acknowledgement**

The DCLS Tool Kit was initiated by the DCLS Oversight Committee serving in 2013-2014, as well as past members who have contributed to the development of some of the documents contained in the DCLS Tool Kit. It was updated by the 2014-2016 DCLS Oversight Committee.
